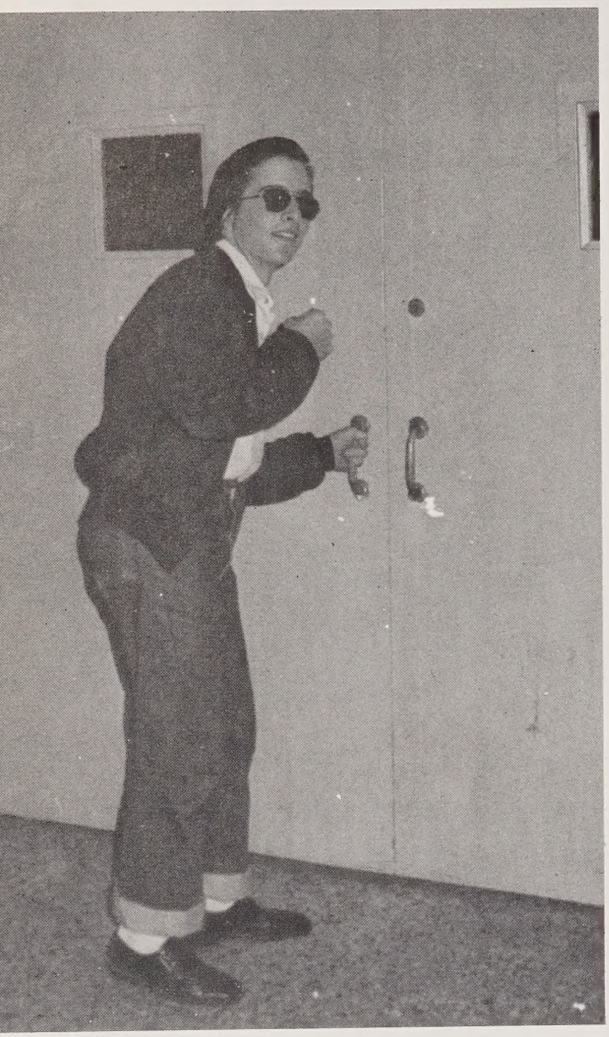
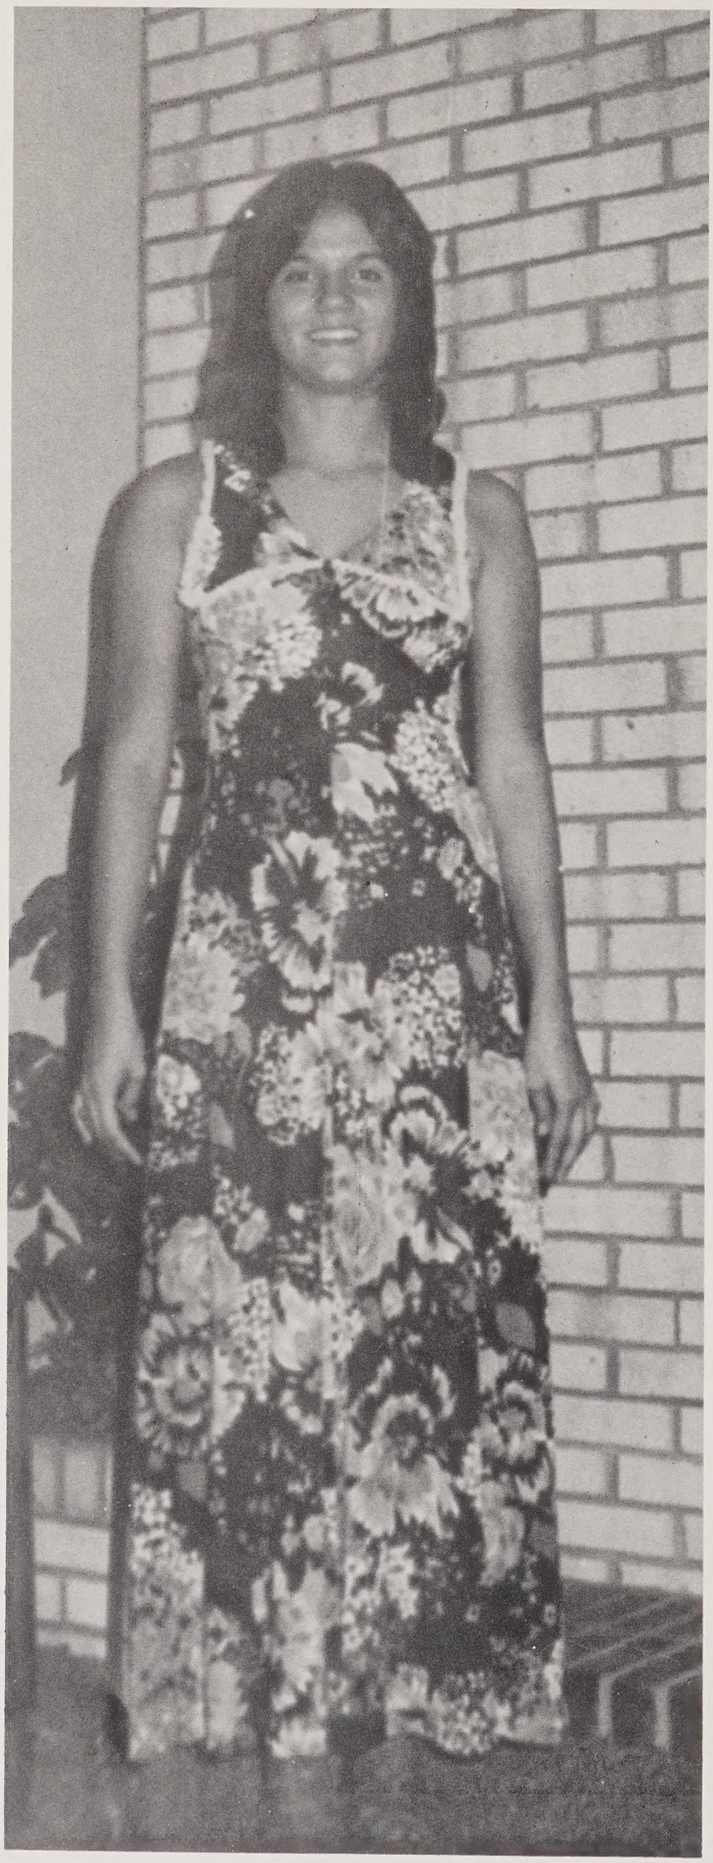
Let the Good Times Roll



Penni Shoaf Captures Miss Davidson County Title

Miss Penni Shoaf ... Miss North Davidson ... Miss Davidson County ... these three titles belong to a certain girl who possesses all the qualities of a true queen. Her beauty, poise, and personality captured the hearts of her classmates as she was chosen from a field of sixteen girls to be Miss North Davidson. Along with its honor, this meant an even larger and more important contest for Penni. She was off to the fair where she competed for the title of Miss Davidson County with other area high school girls. After the pageant, the judges announced their decision and it was a good one. Penni Shoaf was crowned Miss Davidson County. North Davidson could not have selected a more perfect queen.

Homecoming Queen . . .



Without a doubt the most exciting event of any Homecoming is the crowning of the queen . . .

Each football player had voted earlier for the girl of his choice and the identity of the new queen was revealed during halftime of the Homecoming Game. It was of no surprise to anyone when the name announced was Miss Marsha Sink. With a big smile and a few tears of joy, Marsha gave her official walk and returned to centerfield to receive a kiss from her escort, Randy Smith. North Davidson can truly be proud of its 1973 Homecoming Queen — Marsha Sink.

. . . and Her Court

Barbara Smith, 1st Runner-Up, Miss North Davidson

As tradition follows on, the Senior Class selects a group of girls to participate in our Miss North Davidson Pageant each year. Although only one girl can receive the title of Miss North Davidson, each girl has her own special feeling of honor because she was chosen by her classmates to represent them.

Also, the sixteen young ladies who were selected this year make up our Homecoming Court, which is an honor in itself. Once again, only one girl is lucky enough to become Homecoming Queen. But in years to come each girl will look back on her high school days with pride because she belonged to the 1973-74 Homecoming Court.

Fun-Filled, Spirited Homecoming '73

1st Place Float — Senior Class

A week of work, fun, sharing, spirit, excitement, and togetherness marked the beginning of a very special Homecoming. Cheerleaders promoted more spirit with Lick'em Day, Sock'em Day, and Color Day. Posters filled the halls and finally the feeling of Homecoming was everywhere. Classes, clubs, and other organizations worked every night on their floats with hopes that they would win first place. Homecoming Day finally arrived and what a beautiful day it was! The day was topped off with a magnificent parade and a spirited pep rally. Mr. Football was selected from the "pretty" senior football players and the winner was none other than Bill Jones. Unfortunately, the football team met a very tough team for the Homecoming Game that night as North lost to a powerful North Rowan. The crowning of Marsha Sink as Homecoming Queen was the happiest event of the night and after the game, students congregated in the gym for the dance.

Not only is Homecoming a fun experience, but it is also a chance for people to do things "together."

CLASS OFFICERS: *SEATED* — Alen Koontz, Pres.; Christy Taylor, Sec.; Gary Boyd, Treas.; Ronnie Gallagher, Vice Pres.

Much has happened in our twelve years of school: three presidents, one assassinated; Vietnam; men on the moon, it all started when we did; the upheaval of young people; Watergate, and the Energy Crisis.

These factors have helped shape us, but the main influence is here. Most of us are a little different because of the people and experiences in school, particularly within our class.

Junior Class Officers: President — Sherry Leonard, Vice-president — Jeff Reich, Secretary — Suzanne Fritts, Treasurer — Sherri Deitrich.

It isn't always easy to be half-way. Not only are Juniors in the middle of Seniors and Sophomores, but they are faced with many decisions which could possibly alter the course of a lifetime. Taking the PSAT, choosing courses for next fall, worrying about exams, and the final struggle — for or against college — are major concerns for the average Junior. Yet through it all we have come with flying colors, and proudly call ourselves the Class of '75.

As the Class of '76, displaying its Spirit of '76, was led into their first experiences of Senior High life by class officers: President — Bradley Thomason, Vice-President — Robert Everhart, Secretary — Candy Boyette, and Treasurer — Johnsie Stewart, they encountered many endeavors, trials and tribulations, but quickly adapted to Senior High life and established accomplishments within the school's activities.

Although the Class of 1976 has already left its mark of achievement upon North Davidson Senior High, its days there have merely begun!

Wait 'Til Next Year Ref!!!

North's football team was constantly plaqued by inconsistancy, bad breaks, and untimely injuries which prevented them from having the type of season they were capable of having. Although they finished with a 3-6-1 record, they played tough, hard-nosed football all season. This was exemplified in their 14-7 victory over West Rowan and a 28-16 win against a tough West Davidson team.

Bill Jones, Eddie Mendenhall, and Dennis Lyons served as tri-captains for the Black Knights.

North Wins N. P. C.

North's Varsity boys basketball team once again came through with an impressive season. After dropping a two-point decision to Ledford in their opening game, the Black Knights began playing good solid basketball. They claimed an exciting one-point win over Ledford on their home court. Then North went into their conference schedule. Not picked to finish high in the league, the Knights found themselves in first place after several ballgames. North was in the thick of the battle for first place in the N.P.C. most of the year. With only three players graduating, the Knights are looking forward to the next season.

Girls basketball, though not one of the "big" sports here at NDSH, has found a place all its own. The girls are full of talent and enthusiasm, and they continue to thrill the home crowd with their victories. With their hard work and determination, they represent our school well on and off the court.

J.V.'s Win Championship

North Davidson's Junior Varsity Basketball team claimed the N.P.C. championship for the second consecutive year. The Knights took first place with an opening game victory and never lost the position. Many of their wins were by margins of fifteen or more points. They proved to be one of the finest J.V. teams North has known. Steve Hinkle guided the team to their first-place finish in his initial season as J.V. coach.

J. V. Cheerleaders Giving All They Got

Even though the Junior Varsity cheerleaders had no football team, they were always on the go. Boosting school spirit at pep rallies and yelling their heads off at football games, these girls took the lower hand in a lot of things but were always smiling, peppy, and willing to lend a hand.

Mat Men Meet Much Muscle

"The addition of some wrestlers in lower weight classes — 98, 105, and 117 has helped North Davidson turn around some of the close matches they were losing in previous years. Slowly as the wrestlers gain confidence the fans show more and more support."

Knights Capture Conference Championship Advance

TOP: The players watch the action from the dugout. *ABOVE:* Bats and helmet prepare for big game.

The Black Knights clinched their first North Piedmont Conference championship in 5 years with a 6-1 stomping over their biggest rival, East Rowan. This set the stage for North's encounter with S. P. C. champion, Concord.

The Knights exploded for four runs in the top of the fourth inning. The big blow was a bases loaded double by Mike Maxwell.

The Knights hosted Southpoint of Belmont in the WNCHSAA finals. Southpoint scored two unearned runs in the top of the ninth to secure the championship.

Danny Link acquired All-Conference, All-State, and Player of the Year in the N. P. C. Other All-Conference players were Mike Maxwell, Keith Vestal, and Dan Craver.

Track Team Shows Improvement

"Black Knight's track team led by captain Leland Cabbell, who graduated last year, showed marked improvement. Both the 880 and 440 yard relay teams placed third in the county meet with John Clark winning the triple jump. Lack of depth and experience hindered North's chances in the conference."

Intramurals: Everyone's Chance

Everyone's chance to get in on the action; a time for the enthusiasm of competition, a time for each student to become his own athlete, a time for fun. Softball, volleyball, basketball, and football offered different opportunities with a lot of spirit, especially when finals rolled around and the best played for top positions. Everyone wanted a part of the excitement. Students and teachers alike played, yelled, and enjoyed the intramurals.

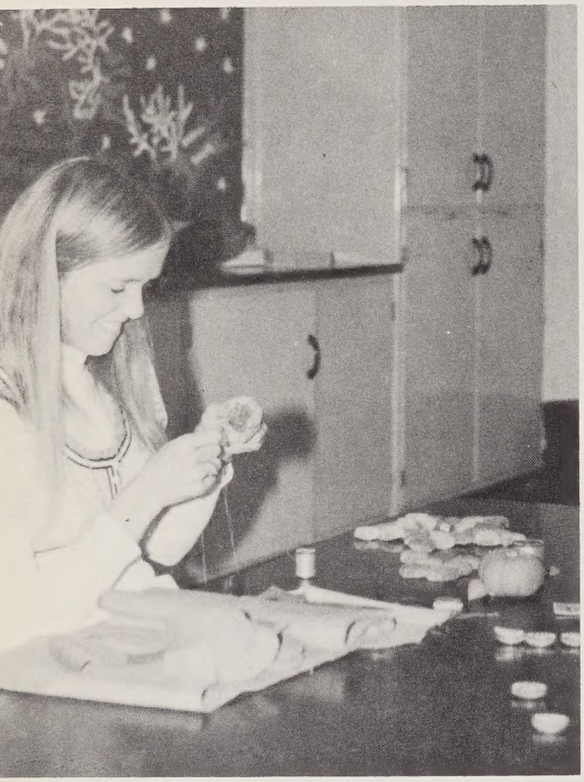
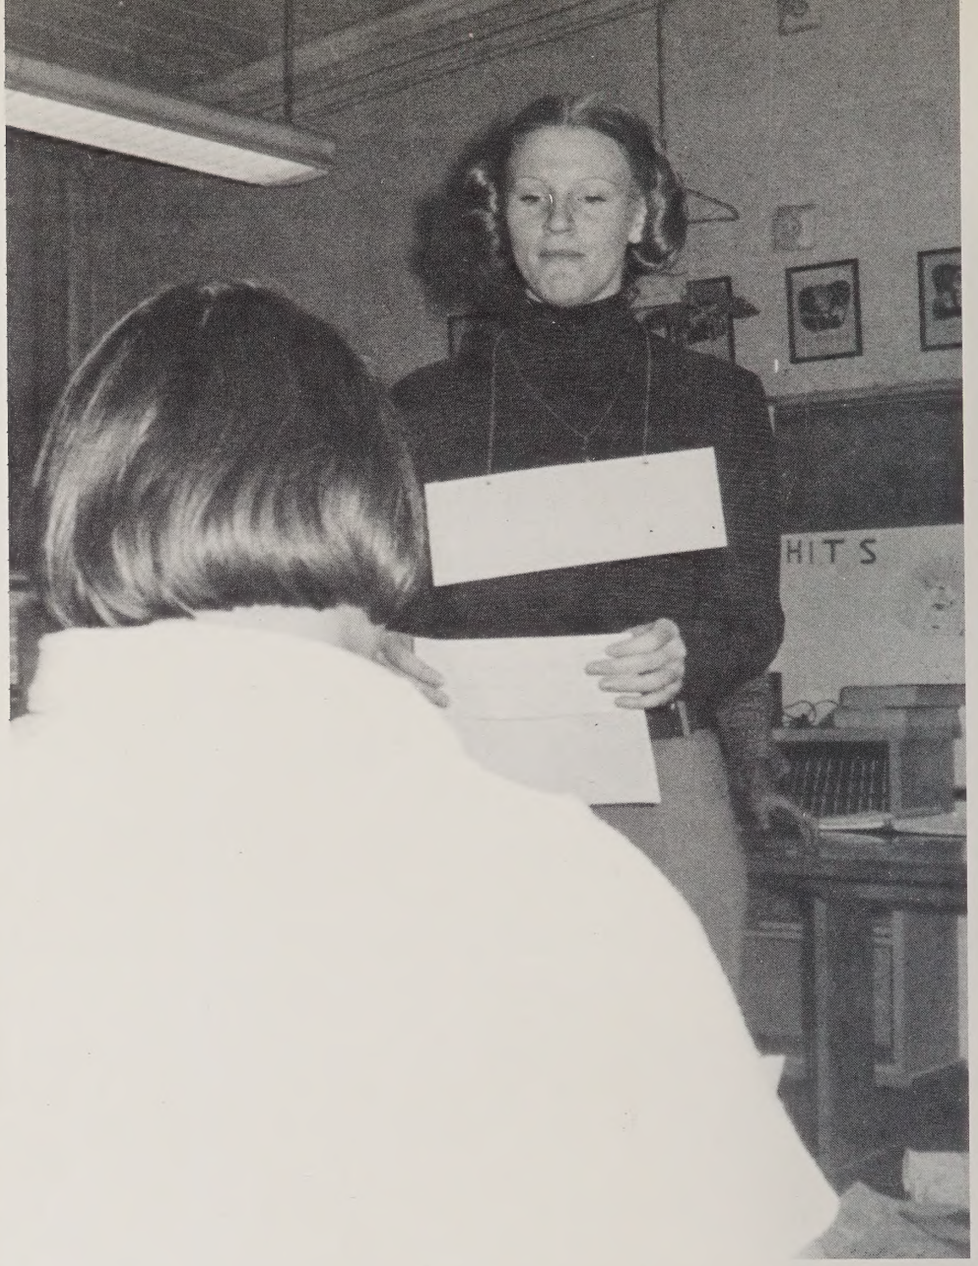
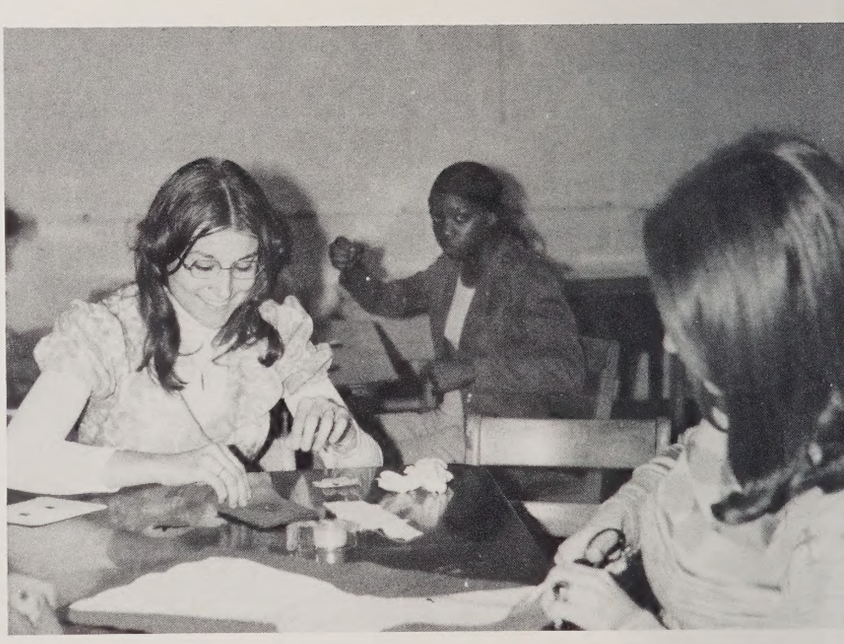
the times,

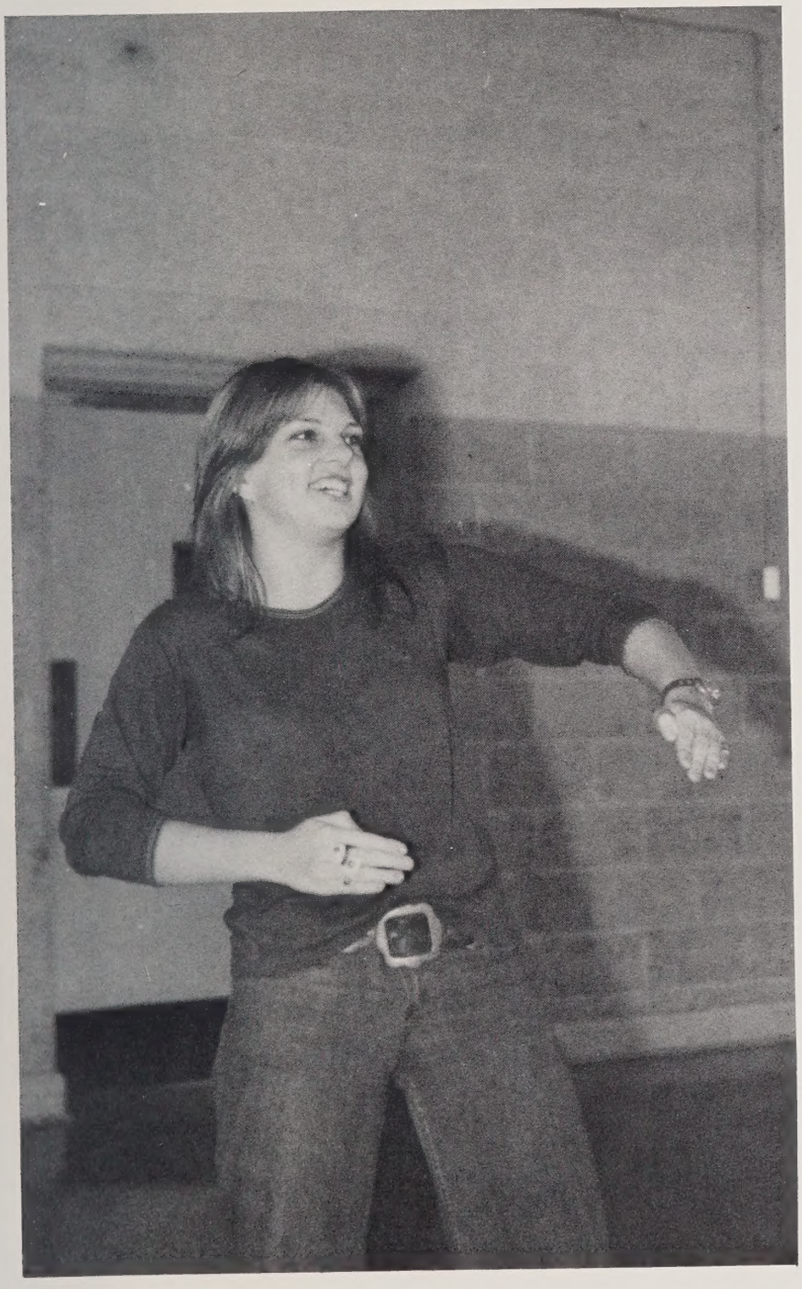
you know we've had some times

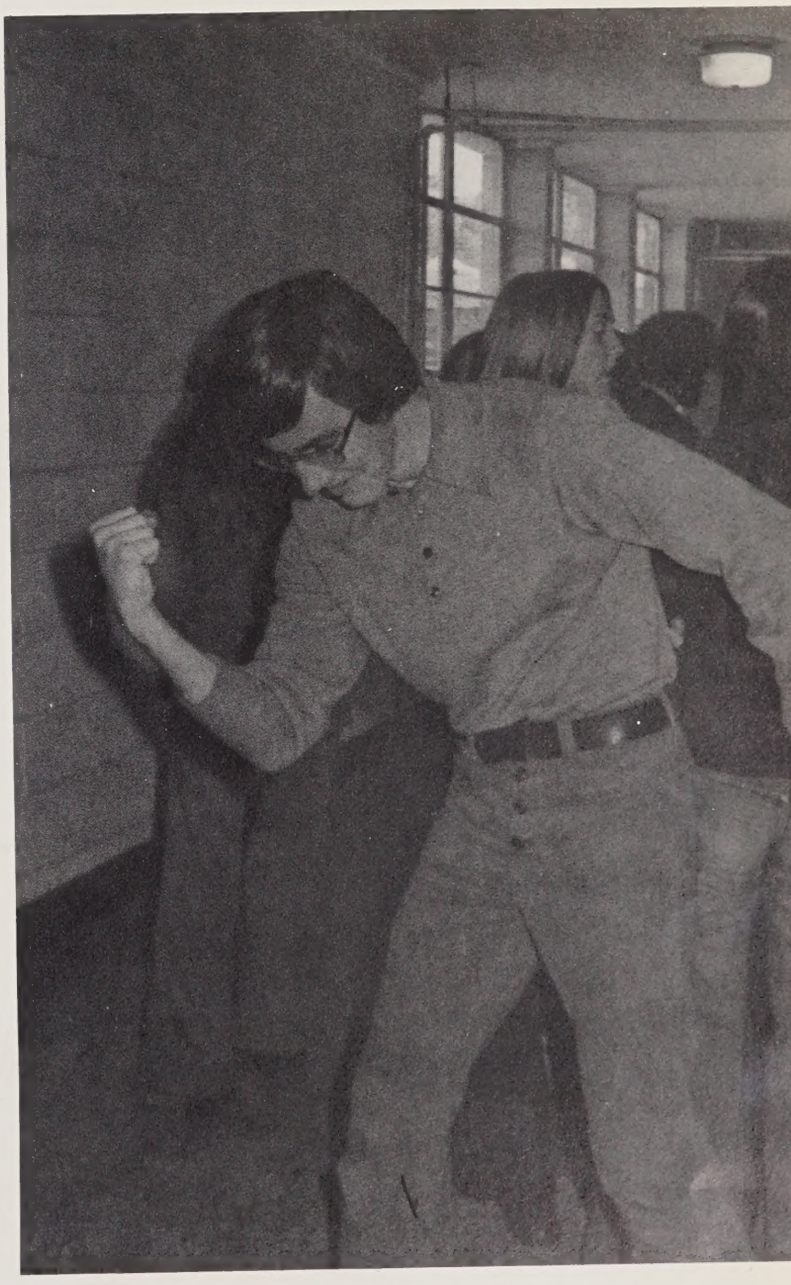




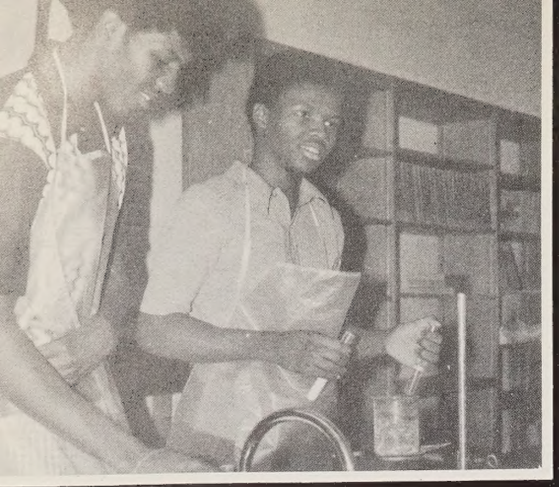


along the way I've learned something

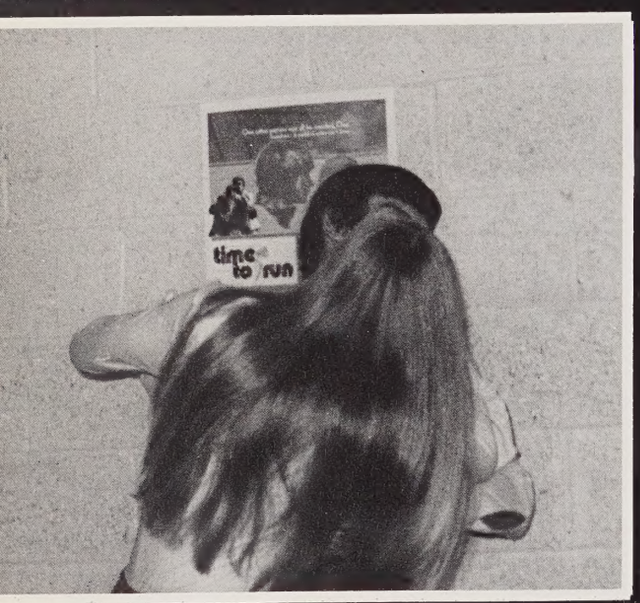


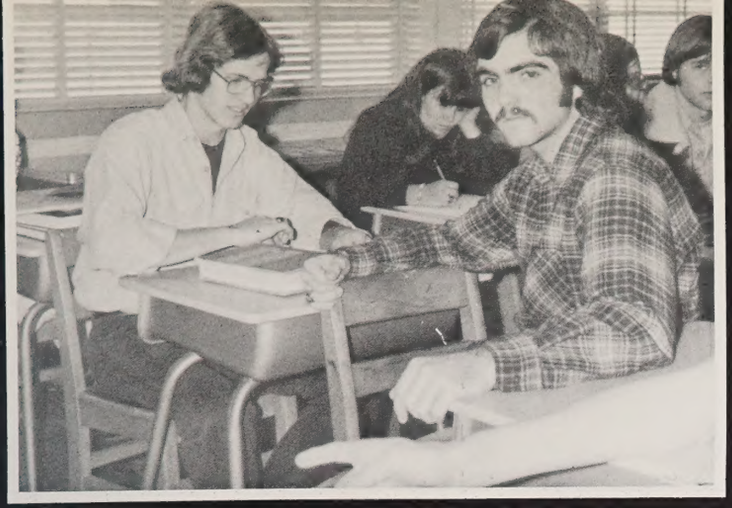


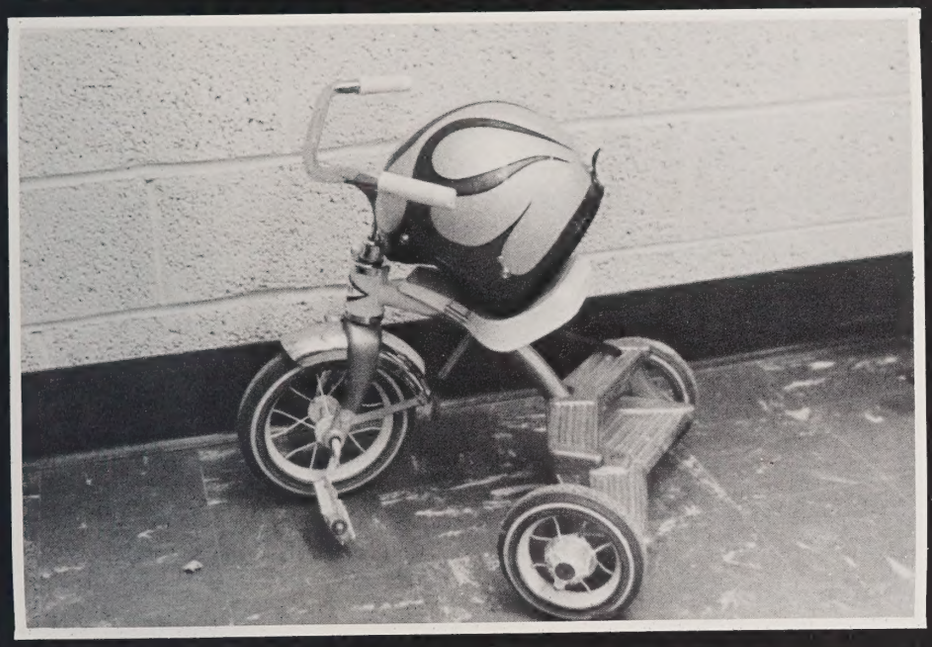
the times are what you make of them



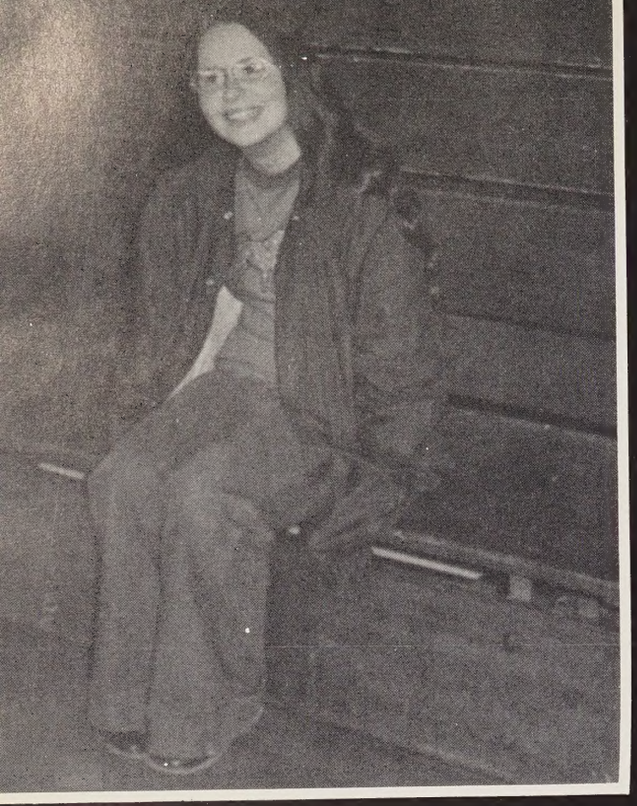
each moment of the past is an untouchable gem

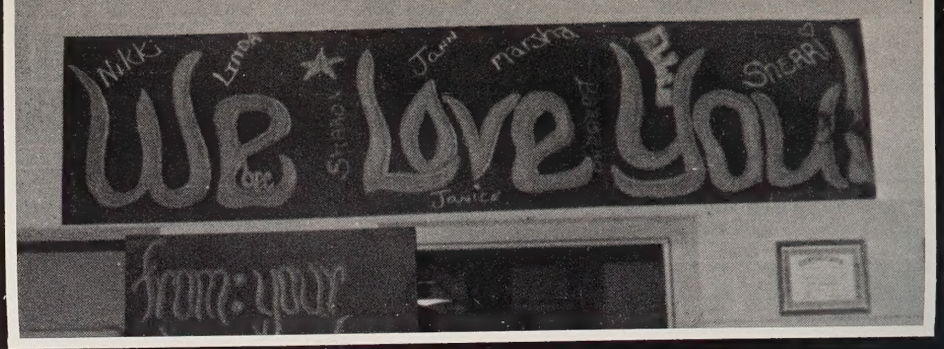


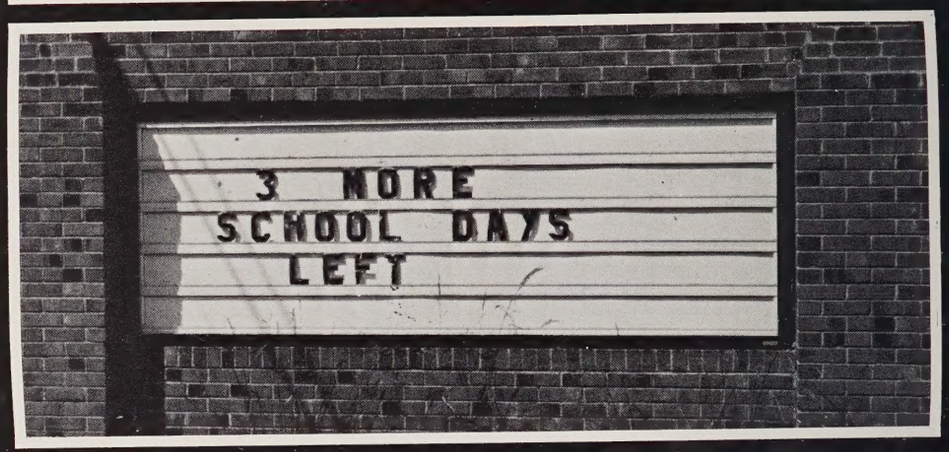


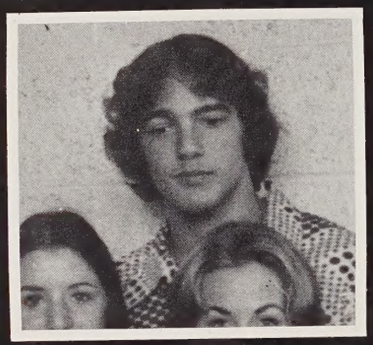


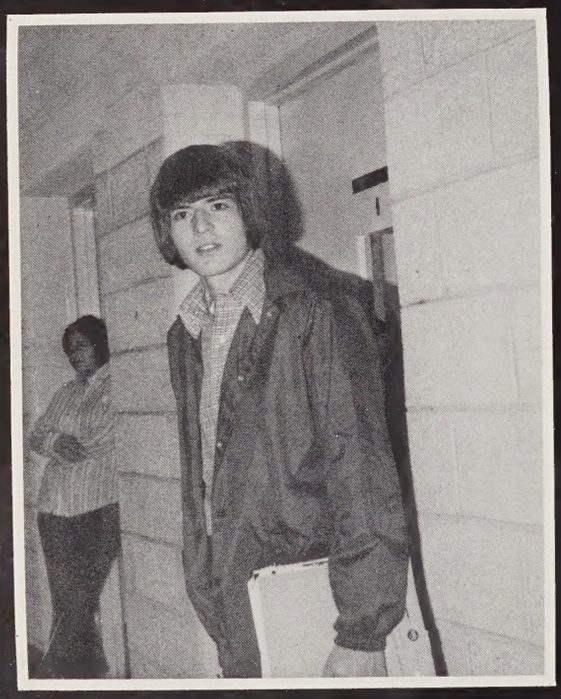
that
time
only
enhances

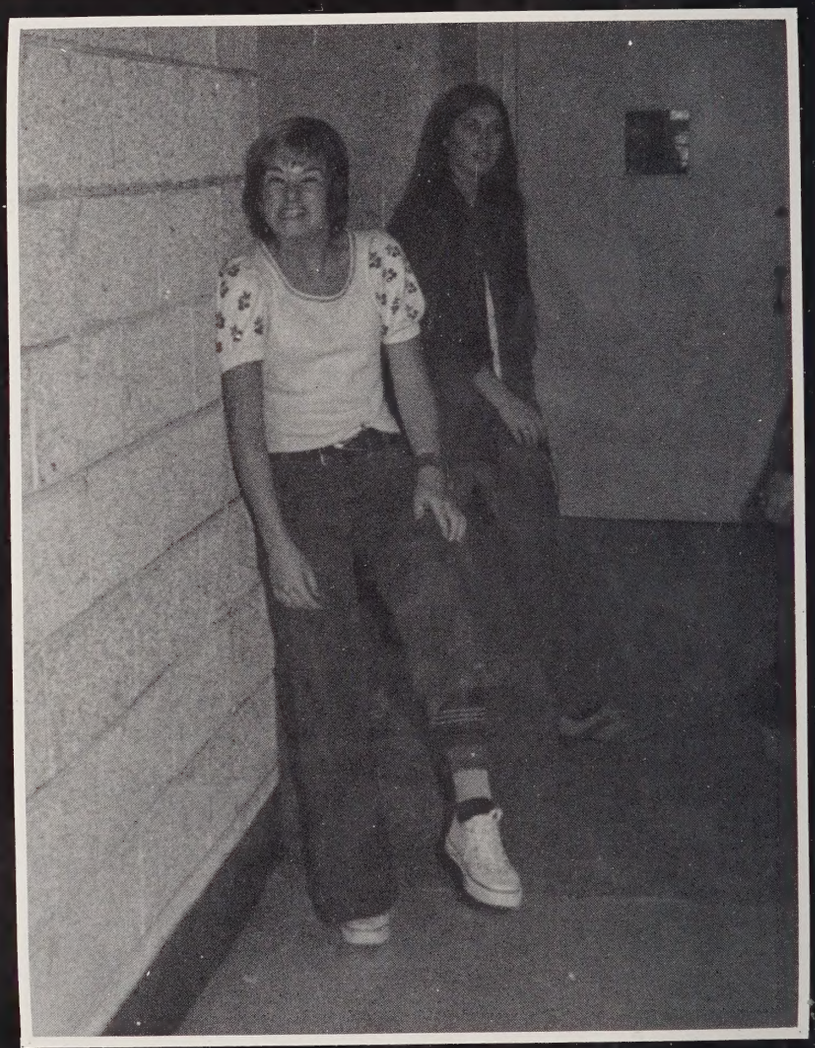




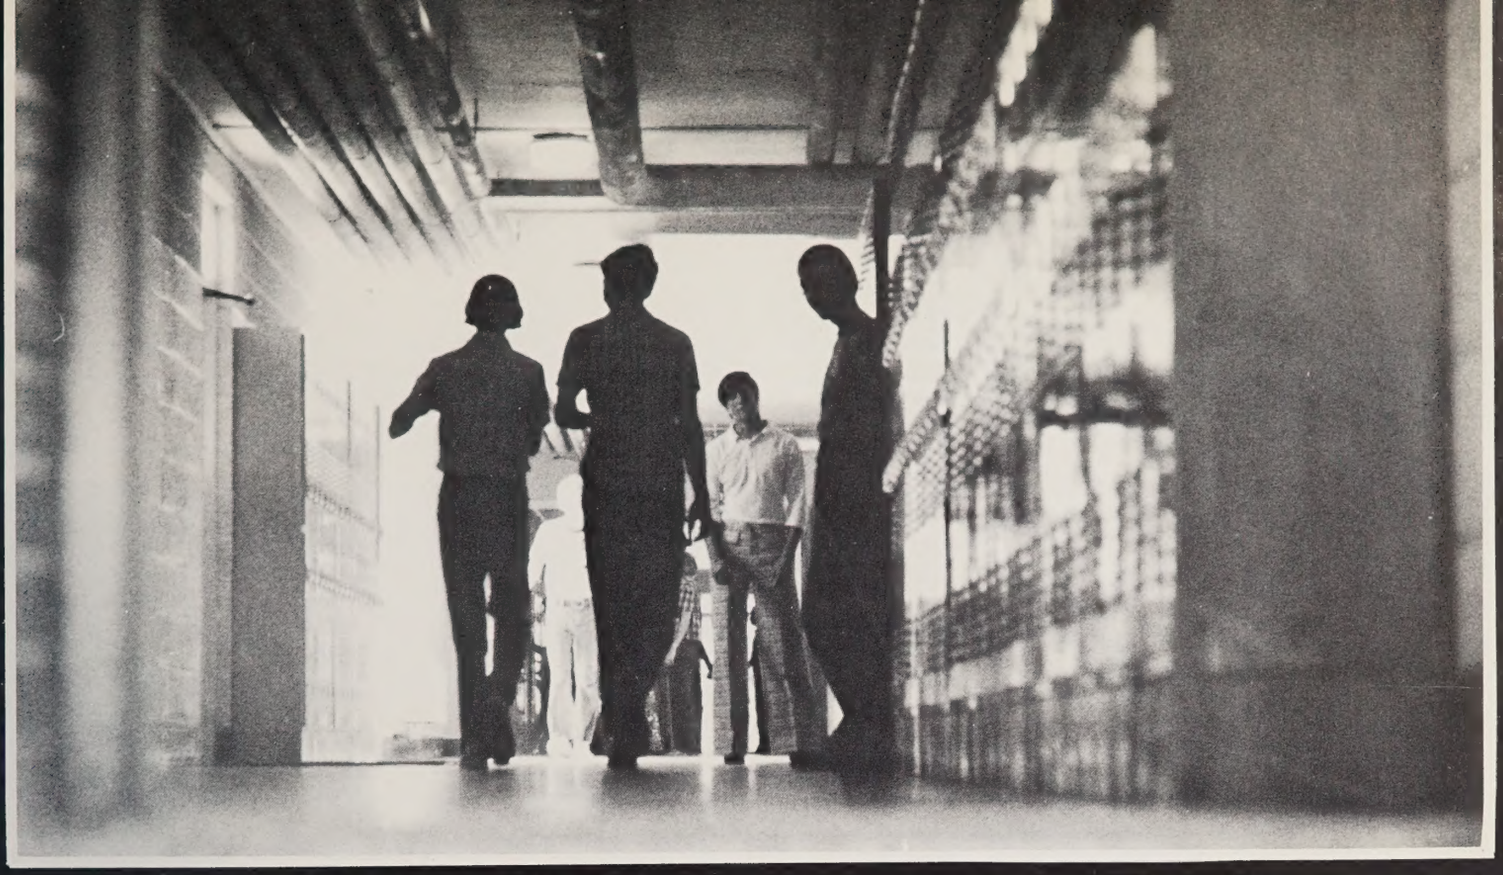


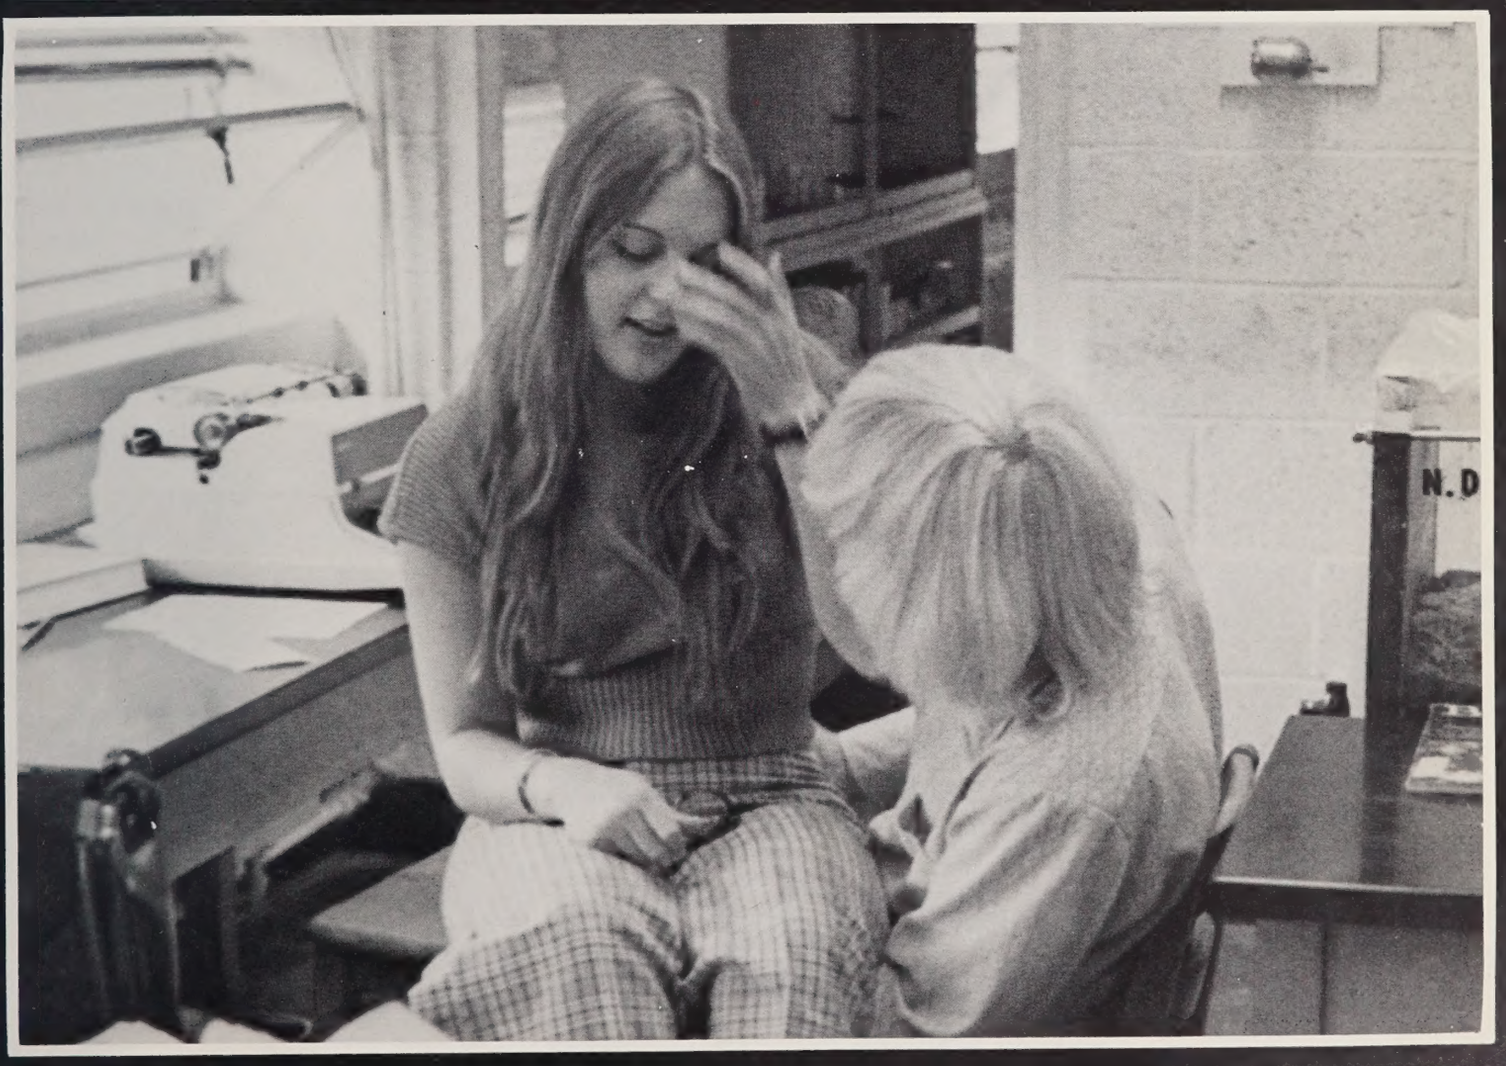




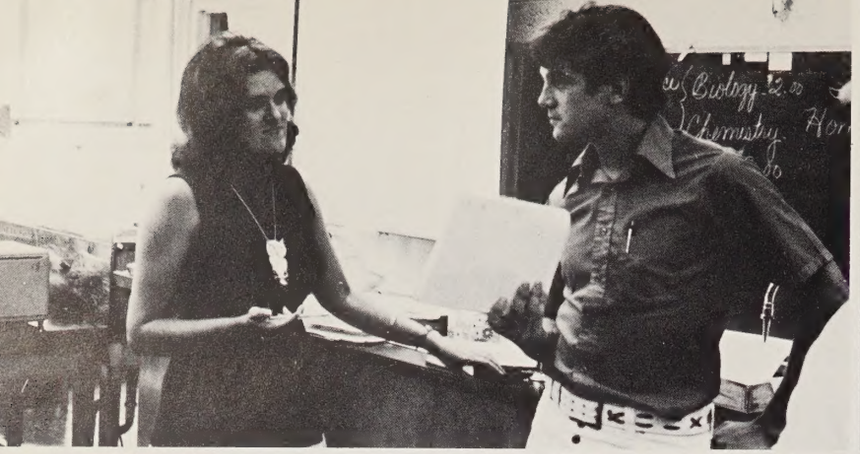


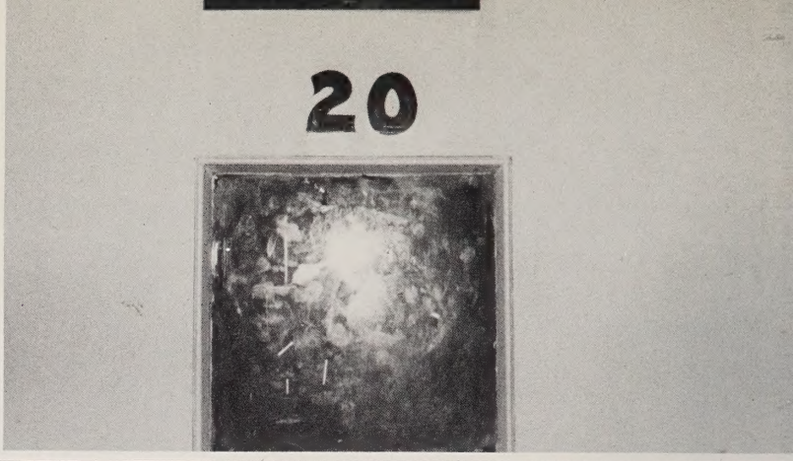
we can look back at the yester years with happiness and sorrow and say,

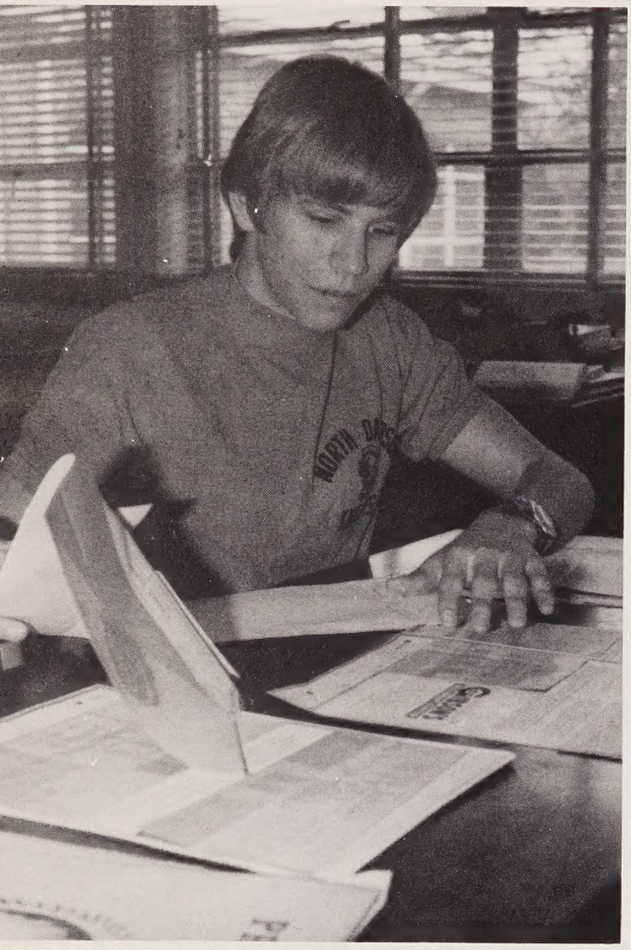




"remember that time..."







This past year has been one of victory and defeat, joy and sorrow at North Davidson Senior High. Each of us will have memories of our school that will last a lifetime. For Seniors it is the last year. Juniors and Sophomores will take over as upperclassman. The Annual Staff has tried to capture North Davidson as it was in 1973-74.

Thanks go first of all to the Annual Staff. They worked hard to meet deadlines and did an outstanding job. Thanks also go to Charles Tarlton of Colortronics Inc. for the cover; to Mr. Teal for his cooperation; to Miss Mathews for taking care of finances; to Josten's American Yearbook Company in Clarksville, Tennessee, for printing the annual; and to Mike Saunders who gave us many ideas. Our deepest appreciation goes to Miss Vickers for putting up with us, and most of all for the help she gave us. Without her the publishing of this book would not have been possible.

A special note of thanks goes to my good friend Alan Everhart. His assistance helped in creating the entire book. Alan and I enjoyed putting this yearbook together. Our only regret is that everybody's picture could not be on every page. We hope you will be able to look back at the 1974 NORDAHI and remember your friends as they were.
